2010 Bushwalking Victoria Calendar

Capturing the spirit of Victoria for bushwalkers

The Bushwalking Victoria (BWV) 2010 calendar is a high quality, glossy publication featuring the spectacular winning photographs from the BWV photo competition. The calendar has a month to each opening with an A4 size photo and a details page. The details page includes a smaller photo, information of interest to walkers such as sunrise and sunset times and full moon dates, school and public holidays and plenty of space to write in appointments. The photos that feature in the new calendar and a sample page can be viewed on the What's New page of the BWV web site at

http://www.bushwalkingvictoria.org.au/whats_new.htm

Support Bushwalking Victoria by purchasing one. Promote bushwalking in Victoria by purchasing additional copies for friends and family. They also make a nice gift for sending interstate or overseas.
